TECHNICAL REPORT

VIEWS AND EXPERIENCES OF PATIENTS RECEIVING CARE FOR LATENT TUBERCULOSIS INFECTION (LTBI) AT GOVERNMENT PRIMARY HEALTH CLINICS.

RESEARCH TEAM MEMBERS

Dr. Koh Wen Ming (Principal Investigator)	Family Medicine Specialist, Klinik Kesihatan Rawang Perdana
Dr. Anusha A/P Manoharan	Family Medicine Specialist, Klinik Kesihatan Bandar Botanik
Siti Nur Farhana bt Harun	Health Education Officer, Institute for Health Behavioural Research
Dr. Manimaran A/L Krishnan Kaundan	Director, Institute for Health Behavioural Research
Prof. Dr. Khoo Ee Ming	Honorary Professor, University of Malaya
Dr. Nik Mazlina binti Mohammad	Family Medicine Specialist, Klinik Kesihatan Kelana Jaya
Dr. Rupinder Kaur A/P Hardyal Singh	Family Medicine Specialist, Klinik Kesihatan Kelana Jaya
Dr. Haslinda binti Hassan	Family Medicine Specialist, Klinik Kesihatan Puchong

Research Assistants

Ain Aqiela binti Azamuddin
Nurhidayah binti Rosman
Nurul Faezah binti Noor Azizan
Nurul Shafiqah binti Kamaruddin

Reviewers

1. Dr. Mas Ahmad Sherzkawee bin Mohd Yusoff
Pakar Perubatan Kesihatan Awam UD56
Ketua Penolong Pengarah Kanan
Unit Tibi/Kusta, Bahagian Kesihatan Awam
Jabatan Kesihatan Negeri Selangor
2. Dr. Zamzurina binti Abu Bakar
Pakar Perunding Kanan Respiratori
Institut Perubatan Respiratori

ACKNOWLEDGEMENT

The authors would like to thank the Director General of Health Malaysia for his permission to publish this technical report.

We would also like to convey our utmost gratitude to the following individuals and groups for their contribution in assisting in this study:

1. Dr. Thilaka A/P Chinnaya@Nadarajah, Head of Tuberculosis and Leprosy Division, Ministry of Health of Malaysia.
2. Dr. Manimaran A/L Krishnan Kaundan, Director, Institute for Health Behavioural Research as Technical Advisor.
3. Dato' Indera Dr. Sha'ari bin Ngadiman, State Health Director of Selangor.
4. Yang Berbahagia Dato' Dr. Mohamed Paid bin Yusof, District Health Officer of Petaling Health District.
5. Dr. A. Vickneswari A/P Ayadurai, Klinik Kesihatan Taman Medan; Dr Azah bt Abdul Samad, Klinik Kesihatan Seksyen 7, Shah Alam; Dr. Ziti Akhtar binti Supian, Klinik Kesihatan Sri Kembangan; Dr. Rofina binti Abdul Rahim, Klinik Kesihatan Seksyen 19, Shah Alam; Dr. Norliza binti Muksan, Klinik Kesihatan Kota Damansara and all family medicine specialists, medical officers, medical assistants and nurses of Tuberculosis unit at each respective study sites.
6. All participants of this study.

RESEARCH FUNDING AND ETHICAL APPROVAL

This project is registered under the National Medical Research Registry (NMRR-19-3114-50974). This project received funding from the Ministry of Health, National Institutes of Health Research Grant (MRG). Ethical approval for this study was obtained from the Medical Research & Ethics Committee (MREC): KKM/NIHSEC/P19-2683(11) (Appendix A). Prior to carrying out this research on sites, permission was obtained from State Health Department of Selangor and Petaling Health District (Appendix B).
